As stated in the School Policy IDGF, all school-related fundraising activities shall be limited as follows:

- A. All proposed fundraising activities that will involve students in selling activities must be registered and receive prior approval from the Superintendent of Schools. The number of fundraising activities that involve students should be kept to a minimum.
- B. Solicitation by students shall be limited to parents, family, friends, and trusted neighbors only.
- C. No student is to solicit door-to-door to strangers.
- D. All fundraising activities by students must be properly supervised by adults at all times.
- E. Fundraising activities that involve sales incentive prizes for individual students is discouraged. In the alternative, fundraising incentive rewards or prizes should be whole-group or school-wide in nature (examples: class pizza party, video recorder for the school, etc.)

I hereby acknowledge that I have read the Policy regarding school-related fundraising as printed above and accept responsibility for ensuring compliance with this Policy.
