

Holbrook Public Schools

**Computing Ethics – *Student/Parents*
Acceptable Use Policy Contract**

Students:

I have read and understand the Holbrook Public Schools' Acceptable Use Policy that governs use of school computers and the Holbrook Public Schools' electronic communication system. I understand that violation of the Acceptable Use Policy can result in consequences, including but not limited to the loss of privileges for use of school computers. Additionally, I consent to the schools' monitoring and interception of electronic communications and inspection of electronic storage.

Parents/Guardians:

I have read and understand the Holbrook Public Schools' Acceptable Use Policy that governs use of school computers and the Holbrook Public Schools' electronic communication system. I understand that violation of the Acceptable Use Policy can result in consequences for my child, including but not limited to the loss of privileges for use of school computers. Additionally, I consent to the schools' monitoring and interception of electronic communications and inspection of electronic storage for my child. I am aware that if my child damages computer equipment, I may be responsible for the cost of repairing it.
